

Fully Insulated Pop-Up Sports building

A 12m x 22m insulated building to cover an existing sports area. Fully enclosed to keep you warm and dry all year round.

SFG can provide structures to cover your existing outdoor space wherever needed, across the UK and Ireland. The fully enclosed system is designed to help keep you dry all year round. These structures can be uninsulated or fully insulated to meet your needs. These structures come in a range of sizes or can be customised to meet your specific requirements. Our unique design ensures quick and easy installation.

12m x 22m FULLY INSULATED guide cost £73,920.00 + VAT
