

Canopy with Half walls down to 3m

A 50m x 25m canopy to cover an existing sports area. Including walls down to 3m. The roof and the walls are PVC material

SFG can provide structures to cover your existing outdoor space wherever needed, across the UK and Ireland. The 'Half Wall' system is uninsulated but does offer extra protection from the elements than standard sports canopies, to help keep you dry all year round. These structures come in a range of sizes or can be customised to meet your specific requirements. Our unique design ensures quick and easy installation.

50m x 25m GUIDE COST £225,000.00 + VAT
